The All Assam Students' Union leaders are staging a sit-in-satyagraha from Saturday alleging non implementation of the Assam Accord even it was signed 25 years back. The central committee leaders of the student body have begun the satyagraha from 6 in the morning beside Dighalipukhuri. They would wind up it only after unfurling the tricolour at the Latashil playground. Notably, the trilateral pact was reached after an end to the 6 year long struggle 25 years back demanding primarily detecting and deportation of the Bangladeshi immigrants.
