The abduction of a minor girl, aged only 13 years, at Balipota village under Kalaigaon police station has created sensation in the areas. People have condemned the act and expressed regret at police failure to nab the culprit. According to information received, one Nitya Sarma (35), son of Bangsidhar Sarma, of the same village had been staying at the residence of one Dulal Deka since last year. Taking advantage of the simplicity of the parents of the minor girl, Nitya Sarma successfully established an affair with the girl and finally abducted her on July 15/09. An FIR was lodged at the Kalaigaon police station by the father of the girl the next day. But the abductor and the girl could not be traced till July 31, when police rescued the girl in the same village, but the abductor was still missing. The girl was presented before the Hon'ble judicial Magistrate at Mangaldai court on August 1. The girl confessed before the court that Nitya Sarma had abducted her by force. Latter the girl was handed over to her father's custody and police was directed to take action against the abductor.

Surprisingly the girl was abducted again on the very next day on August 2 morning by the same youth. Another FIR was lodged at Kalaigaon police station but the whereabouts of the girl could not be traced till August 6. People of the locality have condemned two time abduction of the minor girl. Raising question on the sincerity of Kalaigaon police, people urged DC and SP of Darrang to take appropriate action against the abductor and to rescue the minor girl.
