The Opposition Asom Gana Parishad president Brindabon Goswami has alleged that several AGP workers elected in the panchayat polls have yet to be issued certificate only at the instance of the ruling party.

He was addressing a function organised in the city on Wednesday to felicitate its 700 workers.

Addressing the meeting Opposition leader and party general secretary Chandra Mohan Patowary said AGP will be able to form the next government in Dispur if this trend remains. The Opposition leader Chandra Mohan Patowary said the Congress is enjoying only 53 seats on the floor whereas an united opposition has a strength of 58.

Mr Patowary further said, the Gogoi government is surviving only at the favour of BTAD chief Hagrama Mohilary adding that without Mr Mohilary, the government cannot survive even for a minute.
