Assam Chief Minister Tarun Gogoi on Saturday said that the government was fully prepared to ensure safe passage of all materials to the NHPC-owned big dam site in Gerukamukh. Talking to reporters in Guwahati he said that NHPC workers engaged in the construction of Lower Subansiri Hydroelectric project (LSHP) would get full security.

He, further, said that an expert committee will be formed soon to study its downstream impact. Work on the project has come to a halt since December following vehement protests by anti-dam agitators and NHPC Executive Director Rakesh has urged Assam and Arunachal Pradesh governments to provide security.
