Railway Police arrested one person in connection with sensational murder of Pritam Bhattacharjee last month.

Identified as Chhatu Sahni, the accused has been arrested based on information given by two eyewitnesses and is being questioned in Barauni in Bihar. Bhattacharjee, a student of atomic physics from Assam was travelling from Guwahati to Delhi in Avadh Assam express to pursue his PhD in New Delhi. When the train was passing through Naugachia in Bhagalpur in eastern Bihar, he was attacked by thieves in his compartment on July 9.
