Bijni : A bomb exploded near Lasaiygaon Hospital in a High Voltage Electricity Tower. Altogether 4 bombs were discovered and only one exploded. The rest of the three bombs were discovered alive. No casualties have been reported and power supply is also on. No one has claimed responsibility for the blast but police suspect the hand of ULFA in the blast. ULFA observes Martyr day on 27th July and hence every year it is observed that the subversive activities go up on or before this day
