Assam chief minister Tarun Gogoi said on Tuesday that CBI will probe into the group clash in Kokrajhar, Chirang and Dhubri districts where death toll has gone upto 73.

Addressing a press conference in Guwahati, Gogoi said that he has asked his ministers in tour to come back to the state immediately. He said that the group clash may be spread to other places. In yet another development, forest minister Rockybul Hussain is his way back to Assam from London where he was attending the Olympic. The instruction assumes significance a day after Dr Himanta Biswa Sarma left for Delhi.
