When will Anup Chetia come back? Days are not far. Bangladesh is preparing to extradite the founder ULFA ([/taxonomy/term/124](#)) secretary very soon. Sources told Assam Times that Dhaka is believed to have completed all legal formalities to push back Chetia. These information further echoed in what external affairs minister Sushma Swaraj told reporters in New Delhi on Monday. Talking to reporters she said that substantial progress has been made and that he was likely to be handed over soon. She confirmed that the extradition issue prominently figured during the recently concluded Home Secretary level discussion.
