The menace of Stone-man in the city has revealed the overall inefficiency and discriminating attitude of the police & administration towards the victims to a greater extent. The criminal(s) has gone on killing spree in the virtual capital of Northeast India and till date he has targeted the prey more than 12 times in the last 50 days. At least seven homeless beggars died because of the attacks.

Journalists' Forum, Assam has organized a Citizen's Meet to discuss the issue and adopt resolutions concerning the social security of the city in Guwahati Press Club on February 28 next. Every one is invited to participate in the meeting that will begin on 1 pm.
