The [Manipur Congress](#) slammed the Nonthongbam Biren Singh headed BJP-led coalition government for allegedly taking credit of the previous [Congress](#) government's work.

“BJP has misled the people of [Manipur](#). The [state](#) government is using renamed versions of programmes taken up by the [Congress](#) government, which have been incorporated in the 100 days programme,” MPCC spokesperson Kh Joykishan said at a press meet in [Congress](#) Bhavan on Sunday.

The Thangmeiband MLA said the [Congress](#) was shell shocked [over](#) the so-called 100 days programme of the BJP government.

“We’re indeed thankful to the government when it comes to delivering of development but we just cannot accept its attempt to take credit of the former government’s programmes,” reiterated the [Manipur Pradesh Congress](#) Committee (MPCC) spokesperson.

He said the BJP government was only promoting developmental initiatives [launched](#) by the [Congress](#) in the [state](#) in the last 15 years.

“The BJP has created confusion to the people of the [state](#) with regard to its development efforts. We [found](#) that the government has been inaugurating development schemes earlier completed by [Congress](#),” Joykishan said.

[Congress](#) MLA N Loken Singh said the previous government had completed the [10th](#) phase of the ongoing [Pradan](#) Mantri Gram Sadak Yojana (PMGSY) in the [state](#). He said project report for the [11th](#) phase of the PMGSY work was also submitted to the Centre by then [Congress](#) government.

The Nambol MLA claimed that the issues of the United Naga Council (UNC) and [Churachandpur](#) district could plague the BJP government again in the coming two-three months because of political agenda.

Party MLA K Ranjit said that he wished the BJP government would not become a “paper tiger.” The Sugnoo MLA and MPCC spokesperson however, hailed the BJP for its efforts in sorting out several issues and termed it a remarkable accomplishment.

Several other [Congress](#) MLAs and party [leaders](#) were present during the press meet.
