The emergence of a massive death trap in the important road bridge [over](#) Nonai river of [Tangla over](#) the [Tangla-Bhergaon](#) road have raised concerns of the local populace of greater [Tangla](#) area. What is more shocking and bizzare is that even after two days of emergence of the death trap it has not even come to notice of PWD Road authorities making it more vulnerable to major accidents. "The death trap is lying naked posing serious threat without any warning signs or safety of commuters" said, Jitu Pathak a college [student](#) .

The bridge is reportedly facing threat owing to the sand-mining-induced erosion of sand from the close vicinity of its piers.

The bridge is one of the most important bridges of the town [as](#) large number of commuters specially school children, traders and others cross it on a daily basis. To avert major accident the local people have exhorted the authorities concerned to take first hand measures and repair the death trap immediately.
