Digital India Training for government employees

[AT News](#) · 17:13, 8 Jul 2016 | Updated 17:27, 8 Jul 2016 · 8212 views · 2 min read

Madhav [\(/taxonomy/term/1645\)](#) Prasad Sarma, Deputy Commissiner, Kokrajhar inaugurated the Digital India [\(/taxonomy/term/2367\)](#) Training programme for government employees under Prime Minister Narendra Modi [\(/taxonomy/term/2361\)](#)'s flagship programme of Digital India [\(/taxonomy/term/2367\)](#), being organized at NIELIT centre in Kokrajhar on Friday.

Twenty government employees from different offices, included DC office,treasury,SP office,SDO [\(/taxonomy/term/2407\)](#)(civil) from Gossaigaon [\(/taxonomy/term/83\)](#) and Parbatjhora attended the training [\(/taxonomy/term/1605\)](#).

A sixteen day training (/taxonomy/term/1605) programme was organized by the National (/taxonomy/term/1874) e-Governance Division and National (/taxonomy/term/1874) Institute of Electronics and Information Technology (/taxonomy/term/16) (NEILIT) to impart training (/taxonomy/term/1605) govt employees about implementation of governmental jobs and capacity building in the state (/taxonomy/term/2332) as (/taxonomy/term/2291) well country. Sarma expresses his hope that training (/taxonomy/term/1605) will highlight knowledge building while implementing official jobs.

Madhav (/taxonomy/term/1645) Prasad Sarma, DC said, “The training (/taxonomy/term/1605) has been organized for govt employees to impart training (/taxonomy/term/1605) on official jobs while implementing various governmental works. It will be benefitted for the employees while taking advantage of well equipped operation of governmental jobs”.

Rintu Das (/taxonomy/term/1926), Deputy Director of NEILIT, Guwahati centre said that it is fully training (/taxonomy/term/1605) programme for government employees, of which first batch of the training (/taxonomy/term/1605) starts from today. Kokrajhar NEILIT centre will training (/taxonomy/term/1605) for 300 participants by two years, Das (/taxonomy/term/1926) added.

This is an attempt of Department of Electronics and Information Technology (/taxonomy/term/16) (DeitY), Government of India (/taxonomy/term/2367) under a special scheme ‘Preparing North East (/taxonomy/term/2419) for Digital India (/taxonomy/term/2367)’. Under this flagship program of Government of India (/taxonomy/term/2367) a total number of 4,400 Assam Government employees are to be trained through NIELIT CCC and NIELIT CCC+ courses in all the district of Assam within a period two years.

“This is a training (/taxonomy/term/1605) for govt employees to impart training (/taxonomy/term/1605) on official related jobs where participants would be trained on course on computer concept (CCC)”, Das (/taxonomy/term/1926) added.

Shyamal Das (</taxonomy/term/1926>), district information officer, Kokrajhar was also present on the occasion.
