The dip in overall pass percentage of all the three streams – [Arts](#), Science and Commerce in the 2017 HS examination conducted by the Assam Higher Secondary [Education](#) Council has resulted in dip in cutoff marks in [Tangla](#) College compared to last year. The admission process is underway in [Tangla](#) College in undergraduate courses in all the three streams [arts](#), science and commerce.

The cut-off in [Arts](#) for English which was touching almost 80% last year dipped to 60%. While in Economics where it was 63% last year dipped to 42% whereas in [Political](#) science which was at 55% last year remained at 53% the cutoff in [Education](#) remained at 66% close to last years 68%. The cutoff in [Assamese](#) remained at 70% this year.

In science stream last year the highest cut off was in Zoology 80% which dipped to 62% . In Chemistry where the cutoff was 68% last year dipped to 56%. In Botany the cutoff was 64% last year which clinched to 68% this year .

In commerce stream last year the highest cut off was for management 64% which dipped to 40%.

"Aggregate percentage [as](#) well [as](#) marks scored in major seeking subject were taken into account for admissions," said an admission committee member of the college.

While in [Arts](#) and Commerce stream every subject had 40 major seats; the Science stream lagged behind with barely 20 major seats in each subject. Admission to [arts](#) major seats was held on Thursday and Science and Commerce major seat was held on Friday.

A faculty member of science stream, on condition of anonymity said that due to small sized science laboratory rooms, since long the major seats remained intact at 20 . Highest applications in Science stream were seeking major in Zoology and Botany. It is pertinent to mention that this time [Tangla](#) College along with other 44 other colleges in four districts of BTAD viz. [Udalguri](#), Baksa, Chirang and Kokrajhar has come under Bodoland University of Kokrajhar.
