More and more questions seem to have cropped up on the eviction drive in the name of clearing the government plots in many parts of the state

(/taxonomy/term/2332).

Prabajan Virodhi Manch has dared the government to resume the eviction in Palashbari, Sipajhar (/taxonomy/term/2570) and Mayong where the indigenous (/taxonomy/term/2124) population have been displaced by the steep rise in the number of the immigrants.

In a statement issued to the media, convenor of the anti immigration organization Upamanyu Hazarika (/taxonomy/term/2576) questioned the sudden shift of the eviction drive to Guwahati from Nagaon, Morigaon (/taxonomy/term/101) and South Kamrup areas which have turned into an abode of many doubtful citizens.

Hazarika (/taxonomy/term/2576) said many indigenous (/taxonomy/term/2124) people who have shifted to the city (/taxonomy/term/1957) and it's adjoining areas have been bearing the brunt while the suspected immigrants are allowed to stay without any hindrance.
