Earthquake jolts North East

[editor](#) · 14:47, 25 Apr 2009 · 9704 views · 1 min read

A mild tremor jolted Assam and its neighbouring states on Saturday evening. The jot was felt at around 8-03 in the evening when the panic-stricken people in Guwahati came out to the streets. The epi centre and magnitude of the quake have yet to be learnt. However, there is no report of any loss of life and property in the earthquake.
