The District Level Training for updating of NPR database and seeding Aadhar number in NPR database was held here at DC's [Conference](#) Hall on Wednesday. ADCs of [Pasighat](#), Ruksin, Nari and Mebo and administrative officers were present. Joint Director of Census Operations, Bharti Chanda from Shillong imparted the daylong [training](#) program.

Chairing the meeting cum [training](#) programme, the Deputy Commissioner In-charge Deepak Shinde informed that East [Siang](#) District has achieved 90.78% biometric enrollment under active supervision of DSO (Stat) D Naksang. In his keynote address the DC emphasized on the importance of Census activities and extended his appreciation to the Government of [India](#) for bringing out this important act and programme. The officers entrusted should sensitize the citizens and provide correct data to bring out genuine and authentic data to make the programme a [success](#). He said that this is an important issue. Registration of population is an important exercise and also equally important to maintain transparency of every citizen. He urged the general public to cooperate with the enumerators who are visiting shortly for updation of NPR database.

Jt. Director Bharti Chanda made a presentation on the importance of NPR and also explained how to fill up the forms in the field. She highlighted on the importance of NPR updation and also informed that field works will begin from Nov-15 and it should be completed by Dec-15 [as](#) per the government notification. She also asked all administrative officers to impart [training](#) to all appointed enumerators of their respective circle at the circle [level](#).

In his short speech stated that Aadhar is an essential and it is the basic need for every citizen, and therefore requested all the concerned officers to educate our people in this issue and further wished them all the best in this exercise.
