## Eerie silence in Paltanbazar

[editor](#) · 04:07, 14 Jan 2008 · 56747 views · 1 min read

A day after the powerful blast, an eerie silence is prevailing in Paltanbazar even as the police have claimed a major breakthrough into the incident. All shops and markets in the area are remaining closed although no organisation has given any call. Meanwhile, the police sources here say the attack was engineered by ULFA 709th battalion cadre Saranga Patowary who sneaked into the city three days back. Investigations are going on.
