Will you believe that, the prestigious Board of Secondary Education, Assam and Assam High Secondary Education Council can issue fake certificates? Here are two examples, where it shows that both the institutions might have issued false certificates for dubious reasons.

Recently a conscious Guwahatian found two certificate copies of a particular lady (Jebin Sultana), where both documents were issued wrongly or she might have made tampered it with fake documents. It was observed that two of her certificates (first one H.S.L.C. Examination under SEBA (1991), Roll-148, No.714 and second one Assam Higher Secondary Education Council Examination, 1997; Roll 234, No.A-167 of Farkating H.S. School) were printed with doubtful documents. Two photocopies of the certificates issued by the Secretary (B.C. Konwar), Board of Secondary Education, Assam and the Secretary, Assam High Secondary Education Council convince the fake documents.

(The readers of Assam Times can have a look at both the copies of the fake certificates) An unconfirmed source claims that Jebin Sultana's husband Rozibul Hoque, a resident of Aminpatty, Nagaon (working as a Sectional Assistant in Irrigation Department, Kalong Kalibor Irrigation Division, Nagaon) is allegedly involved in the fraudulence.

The Guwahati citizen, who unearthed the duplicity tried to contact the Secretary of Assam High Secondary Education Council many times but his response was not satisfactory. Instead of investigating the primary issue, even after receiving the complain letter from the Guwahatian with details, the Secretary tried to divert his attention from that important matter to other non-relevant issues.
