Five dead in Guwahati landslides

AT News · 19:15, 17 Jun 2017 · 9280 views · 1 min read

Rainwaters in Guwahati have been receding where some low lying areas would take a few days more to be cleared of the stagnant waters ([/taxonomy/term/2337](#)). But the Guwahati denizens are yet to get out of the blues where a series of incidents of landslides have claimed five lives so far.

The Guwahati authorities have identified 366 landslide prone areas in 14 hills surrounding the capital city (</taxonomy/term/1957>) and have appealed to come down to avoid the in pending disaster.
