Assam agriculture minister said that the flash floods affected 2,54,000 hectares of cropland across 23 district affecting over 10 lakh families. Talking to reporters in Guwahati on Wednesday, he said that the state had lost a total crop worth over Rs. 992 crore.

According to him, the government has distributed 57,000 quintals of seeds had among the flood affected farmers and the process is on to procure more seeds from various sources to be distributed among the affected farmers. He said that the state government has sanctioned Rs.109 crore to help the flood affected farmers.
