Young Srijangram, a socio-cultural organisation of Srijangram, Bongaigaon organised a special [felicitation](#) programme 'Proshosti Gatha' at Amguri LP school on January 25. The programme was organised to felicitate three folk artistes who despite their personal hardships and poor economic plight are endeavouring to preserve Gowalparia and Kamrupi folk songs. Folk Singers- Phulen Barua (known [as](#) Junior Rameswar Pathak), Anil Barua and Shyamacharan Nath were felicitated with saplings, Gamosa, books and citations. Overwhelmed with the honour, they expressed their gratitude to Young Srijangram. Speaking on the occasion [Jatin](#) Pathak, a retired teacher lauded the effort and termed it [as](#) a positive step to keep our folk culture alive. Dr Ashoke [Das](#), Asst Professor Of Abhayapuri College and [Aaranyak](#)'s West-Assam zone co-ordinator also attended the programme. He pointed out some possibilities and problems of Srijangram area and emphasised on the significance of sustainable development. Dr [Das](#) also expressed his hope that Young Srijangram will play a proactive role in preserving and promoting our folk music, especially among the new generation. The programme attended by many dignitaries and local people was hosted by Rinkumani Pathak. The guests were welcomed with plant saplings.

AT News 5 October 2026 Updated 5 Oct 352 views

GUWAHATI, October 5, 2026 — he North-East Affected Area Development Society (NEADS), a grassroots development organisation based in Jorhat district, has partnered with Change Alliance, a social impact development agency, to strengthen climate-resilient livelihoods and community action in Assam.

Titled “Strengthening Climate-Resilient Livelihoods and Community Action in Assam,” the initiative will be implemented across 10 villages in Jorhat and Golaghat districts. It will work with local communities to strengthen their capacity to cope with growing climate and disaster-related challenges.

The programme will promote locally led solutions, climate-resilient livelihoods and community action, with a focus on strengthening community capacities and supporting vulnerable households to adapt to a changing climate.

Communities in Assam, particularly those dependent on agriculture and natural resources, are increasingly exposed to floods, erratic weather patterns, environmental degradation and other climate-related risks. The initiative will support communities in identifying and adopting locally appropriate adaptation measures and sustainable livelihood strategies.

Tirtha Prasad Saikia, Director of NEADS, said, “Climate change is increasingly affecting livelihoods, food security and the resilience of communities across Assam. Our partnership with Change Alliance will strengthen community-led solutions, build local capacities and promote practical approaches that enable vulnerable communities to adapt while protecting and improving their livelihoods.”

The initiative builds on NEADS’ experience in disaster risk reduction, climate change adaptation, humanitarian response, sustainable livelihoods and community-led development. It will place communities at the centre of resilience-building by recognising local knowledge, strengthening collective action and promoting sustainable livelihood practices.

The partnership will also emphasise community participation, accountability, safeguarding, learning and evidence-based approaches to ensure that the programme remains responsive to the priorities and realities of the communities involved.

Through the initiative, NEADS and Change Alliance aim to contribute to stronger and more resilient communities in Jorhat and Golaghat by advancing climate adaptation, sustainable livelihoods and locally led community action.

The partnership marks another step in NEADS' efforts to connect climate resilience, sustainable livelihoods and community leadership towards building a more resilient, inclusive and sustainable Assam.
