To succeed in this competitive global environment, every student needs to have high motivation, ambition and perseverance to face the various challenges that they face. To do so, they require lot of positive attitude and inspiration from peers. Parents in this age are looking for resources, books and journals that would inspire their children to have ambition and a global outlook to excel in their chosen field of study.

The magazine Friends is a sincere effort by the Non residents of Assam towards the upliftment of the Students and youths of the North East India. It contains articles on career guidance, education, travel and tourism, volunteering and Social entrepreneurship. Chief Editor Mr. Ankur Bora from Dallas, Texas, USA sincerely desires that students and the youth of the North East India will benefit from this journal as the motto of this journal is -To inform, to inspire and to instill. It is also expected that the parents will gift this magazine to their children as a valuable resource for career development and for their future personal and professional growth.

The editorial board of Friends is looking for writers (in English) , it will be a paid engagement. Please write to Ankur Bora at ankurbora@hotmail.com .
