Its strange but true. A money like kid is born. But the mother is a goat. The bizarre incident took place at Madhya Tupakuchi in Raha on Thursday morning. A tiny hamlet in Raha suddenly drew the attention of thousands of the people when a goat gave birth to two kids which resembled a monkey. Talking to Assam Times, the owner said," I could not believe my eyes. I am at my wit's end. What to do." The heads resembled the face of monkey features- the eyes, the nose and the mouth - only the ears were those of a goat. "This incident is very shocking. It is my first time to see such an unnatural thing. It is really embarrassing," an onlooker told Assam Times after she came to see the kids.
