Guwahati IASST coming up

[editor](#) · 20:15, 26 Feb 2009 · 9572 views · 1 min read

Government have considered and approved the request of the Assam Government for conversion of Institute of Advanced Studies in Science and Technology (IASST), Guwahati, presently under the Government of Assam, into an autonomous grants-in-aid institute of the Government of India, under the Department of Science and Technology. This would meet the hopes and aspirations of people of Assam and North Eastern Region.

IASST would endeavour to spot local scientific talent and inspire them to attain national and global level of competence. This would lead to enrichment of the culture of scientific research and would have significant

impact on the development of resources of the Assam and the Region as a whole.
