

Guwahati in smart city list!

Comments 0

AT News 2 August 2014 14783 views

Good news for Guwahatians. Despite unending problems confronting [Guwahati](#) for the last couple of years, the premier north eastern city is going to a smart one if Tarun [Gogoi](#) is to be believed.

The chief minister on [Saturday](#) asked his [Urban](#) development department to prepare the modalities of 'Smart City' as [Guwahati](#) has found a place in the [list](#) of 100 such cities envisioned by the [Centre](#).

Chief minister's office sources told [Assam](#) Times that a 'Smart' city's urban competitiveness was enhanced by advanced technologies including Information and Communication [Technology](#) and other means.

[Gogoi](#) further asked the urban development department to study the features of satellite towns that include mobility and [traffic](#) conditions, street-lighting, water supply, sewage networks, security-related aspects, amenities and other physical and social infrastructure.
