One [\(/taxonomy/term/2177\)](#) person died in Guwahati a couple of days after he sustained serious injury in leopard attack. Identified as Anowar Hussain, the local resident of Dhirenpara area died early in the morning on Thursday.

A leopard, which came down from the nearby hills in search of food unleashed a reign of terror in Dhirenpara area with serial attack on four local resident before being captured inside a school building.

Anowar, along with three others were undergoing treatment at the Guwahati Medical College Hospital where he was released two days later.

His family members have blamed it all on the doctors for releasing him in a haste.
