

## Horn-less rhino carcass in KNP

[editor](#) · 00:15, 3 Jul 2012 · 8682 views · 1 min read

Forest personnel guarding the Kaziranga National Park have found one horn rhino carcass in Karbi Anglong district on Monday. The rhino was believed to have poached when it was found missing. According to KNP officials, the rhino came out of the park territory searching for food and the poachers took the advantage. But according to preliminary investigation, the rhino was killed at least two days back.
