The HSDP Dima Hasao Committee warns the government of strong agitation movement in Dima Hasao District if the government fails to take immediate action for the release of Mr. Mohet Hojai on bail from jail, stated a press release issued by Jayanta Nunisa Secretary, HSDP Dima Hasao Committee, Haflong.

Hill State Democratic Party (HSDP) Dima Hasao Committee flayed the government for keeping Mohet Hojai, former Chief Executive Member of Dima Hasao Autonomous Council in jail, for a long period of time, without granting him a bail when the leaders of different militant organizations have even been granted the bail on various grounds. Whatever may be the provisions there in the laws of the land by which it could hold prisoners in detention for a long time, the party feels that an injustice is being meted out by the government against the people of Dima Hasao District in view of the fact that civilians like Mr. Mohet Hojai is still not granted bail when several extremist leaders have been released on bail.
