Huge railway flyover over the Brahmaputra

AT News · 15:10, 5 Feb 2017 | Updated 18:02, 5 Feb 2017 · 10841 views · 1 min read

Railway network in Assam is set to get a major boost. A huge flyover ([/taxonomy/term/2204](#)) connecting Kamakhya to New Guwahati on the river Brahmaputra ([/taxonomy/term/2226](#)) river is coming up.

Disclosing this minister of state ([/taxonomy/term/2332](#)) for railway, Rajen Gohain to reporters in Guwahati on Saturday that the two lane flyover ([/taxonomy/term/2204](#)) worth Rs 888 crore bridge would be a huge boost for surface communication.

According to Gohain, the Centre is waiting for the detailed project report and the work is expected to start [\(/taxonomy/term/1707\)](#) by next year. He said the project is one of the major budget proposals.
