The human beings have created a new world for their comfort, but at the end of the day they become stranger to their own world, said eminent Gandhian Salem Nanjundaiah Subba Rao while interacting with the media persons at Guwahati Press Club on Sunday. A fellow of [Gandhi](#) Peace Foundation and founder of [National](#) Youth Project, Dr Rao also added that the modern science can provide one the material wealth & comfort but it cannot teach you to be an honest individual. Known for his mission to uplift the spirit of youths across the world for building a new society based on love, peace, harmony and social justice, the nonagenarian urged the young generation to devote more time for the entire human race.

Born in Bangalore in 1929, Dr Rao was inspired by the teachings of Mahatma [Gandhi](#) since his childhood days. Eventually he became a Khadi-wearer. Affectionately called by everyone as 'Bhai Ji', Dr Rao is remembered for his enormous role in surrendering many dacoits in the Eighties.

The veteran freedom fighter has been honoured with various awards including D.[Lit.](#) (by Kashi Vidhya Peeth), Bhartiya Ekta Puruskar, Rajiv [Gandhi National](#) Sadbhavana [Award](#), Rashtirya Sampradayik Sadbhavna Puruskar, Jamanalal Bajaj Puraskar, Mahatma [Gandhi](#) Purskar, Rashtriya Sadbhawna Ekta Prusaskar etc.
