Sambhu Mandal, president of Kokrajhar Lok Sabha Youth Congress committee participating the satyagraha said that the BJP led NDA government has been taking anti-farmer stand since after assumed power at the centre there seems a deliberate attempt to harm agriculture industry, especially the small farmers and agriculture based workers. He said that farmers are not getting fair price for their production, the benefits of drop in diesel prices are not reaching to the domestic consumers most affected by which are small farmers again and there is a shortage of fertilizers, urea and seed varieties.
