Karbi Longri National Liberation Front (KLNLF) militants have killed two Hindi speaking people on Sunday in Assam's Karbi Anglong district early in the morning. According to information, both the victims were from Nagaon who come to Rongpur village when the militants shot them dead from a close range. The KLNLF involvement is evident from KLNLF chairman P Dili's recent statement threatening the Hindi speaking people alleging that the government was attacking the KLNLF insurgents. That too in the time of peace talks. Earlier on Saturday, nine people sustained injury, when KLNLF militants attacked them with a hand grenade in Diphu.
