### Landslide woes in Guwahati: Toll 2

AT News · 13:40, 14 Jul 2016 · 8125 views · 1 min read

Amid incessant rains two landslide incidents in Guwahati claimed two lives in the city (*/taxonomy/term/1957*) on Thursday. The first incident took place in Nijarapar near Noonmati area in the morning where a woman was buried by the debris. Identified as (*/taxonomy/term/2291*) Nurjahan Begam, she died when the huge piece of rock accompanied by mud (*/taxonomy/term/2067*) slipped on the house where she lived in.

The second incident took place atop the South Sarania hills where a person lost his live. Identified as (/taxonomy/term/2291) Manik Rabha he was buried alive by the mud (/taxonomy/term/2067) which covered his house early in the morning. Both the incidents have struck no less panic in the entire city (/taxonomy/term/1957) where over (/taxonomy/term/2166) 3 lakh people stay in the hill top surrounding the city (/taxonomy/term/1957).
