Leap-frog in rhino population

AT News · 20:50, 8 Jun 2015 | Updated 12:19, 9 Jun 2015 · 71733 views · 1 min read

Despite being by rhino poaching Kaziranga ([/taxonomy/term/122](#)) is shining with increasing population of the one horn rhino. This has further encouraged the Centre to set up a seperate rhino protection force in near future.

According to Union forest minister Prakash Javadekar who is visiting the national park the rhino population has gone up to 2889.

The Union minister told reporters that the Centre has devised a mechanism to efficiently deal ([/taxonomy/term/1922](#)) with the rhino poachers.
