Bodoland is set to boil again. The real exercise for a full scale fratricidal clash between the former BLT cadres and NDFB is going on in full swing if the sensational revelation by some youths engaged in this notorious preparation is to be believed.

According to information, a section of BLT top cadres have been recruiting some youths in the area luring monetary benefits before they are rushed for arms training in Kheroni near Nagaland. A section of these youths who have landed in this trap are undergoing training at a building in Kokrajhar but silently.

Widely known as Bodo Royal Tigers Force, the new rebel outfit has been unleashing a reign of terror in Bodoland with a sole aim to finish the NDFB rebels now in ceasefire. These new rebels have been involving in the recent string of attacks at the various places in the forms of murder and mayhem besides burning several houses and NDFB cadres.

Sources here say, these youths hailing from economically backward areas have been recruited for salary on monthly basis and have been instructed to face public as the BPF workers. They have been behind the attack at the residence of NDFB commander. They killed Bodosa Narzary,

attacked the Ghoskata based NDFB camp and what not.

Unlike NDFB, BLT these newly born rebel outfit has no specific goal. They have been recruited, trained up to handle the AK-47 rifles only to kill the NDFB cadres. A few top ranked former BLT cadres have been imparting training to these youths after being recruited. These budding youths have been asked to shot dead NDFB cadres as soon as they are sighted. It means these NDFB cadres should have no presence in the greater BTAD areas. But of late, fed up with this suicidal move, several youths recruited and after receiving arms training have left the outfit. Their family members have been receiving threats over telephone from the BRTF to send them back to avoid serious consequences.

The entire recruitment process starts from VCDC who supplies these youths after recruitment luring monetary benefit. According to allegations, one VCDC member Manoj Basumatary has recruited several youths before being rushed to the training camps.

If this continue the devastating clash among the Bodos are imminent. But the Government and BPPF are indulged in mud slinging keeping the BPPF(P) in the midst.
