### Manipur researcher killed in Delhi

AT News · 10:33, 20 Nov 2014 | Updated 10:51, 20 Nov 2014 · 16704 views · 1 min read

Despite stringent measures racial (/taxonomy/term/1765) attacks on the north eastern people refuse to die down outside the region. Yet another person was killed in New Delhi (/taxonomy/term/1868) sending shock and anger in the entire region.

Identified as Jirang Kengo, the research fellow with the Tata Institute of Social Science was stabbed to death a couple of days back at his own house in the capital.

His body was recovered on Wednesday night from his house at Kotla in New Delhi (/taxonomy/term/1868). Police further found (/taxonomy/term/1802) a sharp knife beside his body. The incident is believed to have taken place two or three days back. Police investigation is going on. But the miscreants are yet to be picked up.
