Leader of the car market in India Maruti Suzuki India Ltd. unveiled its all new car world strategic model A-Star car in Guwahati today. As stated in a media conference the car is powered by new state of art, light weight, 988cc, K10B petrol engine. The car is the best in class fuel efficient car with a mileage of 19.59 kms/l as tested by ARAI Pune nation's premier automotive research agency.

The newest model eco-friendly uncompromisingly green car meets the European EV norms which imply that 85% of car is recyclable and it is free from hazardous materials like Lead, Cadmium, Mercury and

Chromium.

It is Maruti Suzuki's 8th car in less than 40 months that has been designed keeping in mind the aspirations of the urban economy-conscious customers and tagged as stop at nothing. The earning class of youth is the target customer says Amitabh Roy; General Manager, Maruti Suzuki India Ltd. The A-Star car manufactured at Maruti Suzuki's Maneswar plant slogan is small cars for big future.
