Nature ([/taxonomy/term/14](#))’s Beckon and Journalists ([/taxonomy/term/2506](#)) Forum Assam have organized a Citizen’s Meet on relentless rhino-poaching, illegal rhino horn trade ([/taxonomy/term/1790](#)) and also the ongoing rhino horn verification process in Assam on 1 September (Thursday) at Guwahati Press Club. The meeting, where everyone concerned to the conservation of forest and wildlife is invited, will start ([/taxonomy/term/1707](#)) at 11 am and continue till ([/taxonomy/term/1690](#))2 ([/taxonomy/term/1690](#)).30 pm.

For records, the Rhino (/taxonomy/term/258) Horn Verification Committee, constituted by Assam government found (/taxonomy/term/1802) at least five fake horns at the treasury, which provides ample sense for demanding a high level (/taxonomy/term/2232) probe against (/taxonomy/term/1929) the poaching of one-horned rhinos in various forest reserves for illegal international markets.

The Citizen's Meet is expected to prepare a memorandum to the State and Union government in New Delhi (/taxonomy/term/1868) drawing their immediate attention towards the protection of wildlife in all forest reserves including the world famous Kaziranga (/taxonomy/term/122) National (/taxonomy/term/1874) Park.
