TANGLA: The temperature crossed 36 degrees on Thursday giving no relief to the people of [Tangla](#) town in [Udalguri](#) district. The town and its surrounding places reeled under a scorching sun with people mostly remaining indoors. As per Accuweather, a google weather app the maximum temperature in [Tangla](#) on Wednesday stood at 38 degree Celsius. The streets of [Tangla](#) wore a deserted look throughout the day. Businesses establishments and [shop](#)-keepers in the town were seen lazing their time away while the electrical equipments like fans, coolers and [Air](#)-conditioners are being sold like hotcakes across the retailers in the town. It was also a good day for the outlets of tender coconuts, soft drinks, ice-creams, and sugar cane juice vendors as they did brisk business on [roads](#)

with good number of people queuing up for sipping on them and reliving themselves. The humidity [level](#) on Wednesday oscillated between 55 % and 73%. Moreover the frequent load shedding throughout the day, added sting to the summer heat irking the residents.
