Mild quake hits Manipur again

AT News · 09:48, 3 Sept 2017 · 9697 views · 1 min read

A low intensity 3.4 earthquake shook the north eastern state of Manipur on Sunday striking no less panic for many people who feared the rerun of the 2015 jolt.

The earthquake, which originated in Imphal struck the state at 2.34 in the morning which forced many people in the high rise buildings to come down to the open space.
