Mild quake rattles Assam

[AT News](#) · 08:16, 31 Jul 2017 · 7886 views · 1 min read

A mild intensity tremor ([/taxonomy/term/2239](#)) jolted Assam triggering massive panic early in the morning on Monday. Originated in Darrang, the 4.0 magnitude earthquake struck the north eastern state ([/taxonomy/term/2332](#)) at ([/taxonomy/term/2015](#))6 ([/taxonomy/term/2015](#)).37 in the morning.

As ([/taxonomy/term/2291](#)) thr earth started shaking for a few seconds, people in the high rise buildings in Guwahati, Jorhat, Dibrugarh, Nsgaon and its adjoining areas started coming down to the open roads ([/taxonomy/term/2454](#)) fearing a massive one. But there is no report of casualty and loss of property.
