Mild tremor jolts Manipur again

[AT News](#) · 09:55, 30 Jul 2017 · 9018 views · 1 min read

Yet another mild tremor ([/taxonomy/term/2239](#)) jolted Manipur ([/taxonomy/term/64](#)) triggering massive panic early in the morning on Sunday. Originated in Churachandpur ([/taxonomy/term/2360](#)), the 3.3 magnitude earthquake struck the north eastern state ([/taxonomy/term/2332](#)) at 3.31 in the morning.

As ([/taxonomy/term/2291](#)) thr earth started rattling for a few seconds, people in tjr high rise buildings in Imphal ([/taxonomy/term/72](#)) and its adjoining areas started coming down to the open roads ([/taxonomy/term/2454](#)) fearing the 2015 rerun. But there is no report of casualty and loss of property.
