Senior physicians from Panbazar based MMC hospital Dr Madhab Rajbongshi and Dr Hitendra Nath Chakravarty graced the evening OPD clinic at Guwahati Press Club on Saturday for the benefit of its members along with their dependants. Over 30 participants received necessary consultations from the doctors after regular check-up of blood ([/taxonomy/term/2461](#)) pressures. Staff nurses Sewali Deka Pathak and Gitumoni Thakuria supported the camp. The immediate next evening clinic has been postponed due to Rongali Bihu celebrations and it will be organized on 22 April.
