BJP's prime ministerial candidate Narendra Modi said that if his party comes to power, then he would rehabilitate the family members of Ananta Hazarika and Gopi Gogoi. The duo died after attending the recent rally in Guwahati.

Immediately after landing at the Dibrugarh Airport on Saturday morning, Modi met the two family members and shared their worries.

Modi told the two family members that he would rehabilitate them at his own initiatives as soon as he becomes the prime minister.

Hazarika died after falling from a moving train while Gogoi was found dead under mysterious circumstances on the river Brahmaputra in Guwahati.
