KMSS [leader](#) Akhil Gogoi has urged the people of Raha to intensify the agitation for the proposed AIIMS in the central Assam area.

Addressing a press conference in Guwahati on Sunday, the fire brand [RTI](#) activist said that without a massive agitation, the government will not care even an iota to the voice of protest.

He said that KMSS will join the agitation to ensure the proposed premier hospital in Raha. He strongly criticised the Government alleging that Sonowal and his government have been misleading the people of Raha with blatant lies.

“No, the Centre never finalizes the location. It is for the [state](#) government to take the final call,” said Gogoi.
