Rhino terror refuses to die down. A strayed rhino seems to have been unleashing terror in Kaliabor area on Wednesday a day after one person was killed in rhino attack in Majuli.

Local villagers in Koliabor in the outskirts of the Kaziranga National park spotted the one horn animal at an open paddy field in Kuwalitul in the morning. They informed it to the forest department where officials arrived in the field to disperse the animal which could not sneak into the human habitat.
