In a significant development, the Opposition parties are considering a consensus candidate in Koliabor to stymie the poll prospect of Congress candidate Gaurav Gogoi in the upcoming Lok Sabha polls.

AGP President Prafulla Kumar Mahanta is holding talks with BJP, AIUDF along with the like-minded parties on Tuesday.

The development comes at a time when AGP is considering the name of Dr Arun Sarma and AIUDF is set to announce the name of Badaruddin Ajmal.
