Passenger train halts after snags

[editor](#) · 18:44, 9 Aug 2012 · 9148 views · 1 min read

Causing major inconvenience to over 1,000 people, the Kolangpar passenger train stranded for over two hours after the train developed technical snag in Morigaon district on Thursday. The passenger train developed technical snag at Barahu near the Jagiraod train station at around 8.30am on its way from Nagaon to Guwahati. The stranded passengers were later brought to Guwahati in the Silghat-Kamakhya passenger train.
