The roads leading to Namrup from Sonari to Namrup as well as Nahakatia to Namrup are in very bad condition. It is hard to imagine such pathetic roads in this twentieth century. Specially in an industrial area like Namrup which houses three very important industries i.e. Bhrahmaputra Valley Fertiliser Corporation Limited, Namrup Thermal Power Plant and Assam Petrochemical limited. The suffering encountered by every people coming to Namrup because of the road, compel them to think twice before coming. The people of Namrup deserves demands better road communication. The concerned authorities and local MLA must take strong initiative for a better Namrup.
