Assam along with the other north eastern states are bracing up for an acute crisis (/taxonomy/term/2355) of petroleum (/taxonomy/term/2424) products as (/taxonomy/term/2291) hundreds of workers (/taxonomy/term/2406) associated here are on strike for minimum wages and other benefits.

Talking to Assam Times, Assam Petroleum Mazdoor Union leaders (/taxonomy/term/2082) said that the oil marketing (/taxonomy/term/133) companies have not been listening to the demands (/taxonomy/term/2467) and that strike is the only way to keep these on mounting pressure.

“We are underpaid. We don (/taxonomy/term/2305)’t have other facilities like provident fund and ESIC. For the last couple of year we have been demanding these. But they are least bothered. Do they want us to lead (/taxonomy/term/1657) a unsecured life? Even we don (/taxonomy/term/2305)’t have PF. What will we do?” said the workers (/taxonomy/term/2406) on strike.

They further said, “Right now how can we say that we would resume works soon (/taxonomy/term/2206). Let IOC (/taxonomy/term/1798), BPCL and HPCL suffer. Let them talk to us. Only then we will call off the indefinite strike.”

APMU leaders (/taxonomy/term/2082) talked with the oil marketing (/taxonomy/term/133) companies in November last year. But of no avail.
